(Facility ID # 25070), Title V Facility Permit, Revision No. 3

Dear Mr. Ferrante,

Enclosed please find the revised Title page, Table of Contents, and Section I of your Title V Facility Permit. The revised sections reflect the approval of a Minor Permit Revision of the Title V permit. The South Coast Air Quality Management District (AQMD) issued a draft permit for Environmental Protection Agency (EPA) review on August 18, 2011, and no comments were received from the EPA. No Public Notice was required for the Revision.

The revision to Section I includes the revised permit as shown below:

Appl. No.	Equipment	Description

Please review the attached pages and then insert the enclosed sections in you Title V Facility Permit, and discard the earlier versions. If you have any questions concerning changes to your permit, or if you determine any administrative error, please contact Atul Kandhari (909) 396-2477, within 30 days of the receipt of your permit.

Sincerely,
