Subject: Significant Revision to Title V Facility Permit, Revision No. 2.
Fountain Valley, Plant 1 (Facility ID 017301)

Dear Mr. Ruth,

Enclosed please find the significant revision (No. 2) to the Title V facility permit, for the Orange County Sanitation District (OCSD) Fountain Valley, Sewage Treatment Plant No. 1 (Facility ID 017301), located at 10844 Ellis Avenue, Fountain Valley, California. The South Coast Air Quality Management District (AQMD) issued draft permit for Environmental Protection Agency (EPA) review, and no comments were received from EPA. No public comments were received for the public notice issued for significant permit revision.

The significant revision includes Title Page, Table of Contents, and Section H.

Section H: Included Permit to Construct for Hurst boiler, rated at 10.5 million BTU per Hour.

Please review the attached pages carefully. Insert the enclosed section(s) in your Title V Facility Permit and discard the earlier versions. Questions concerning this revised permit should be directed to Mr. Gaurang Rawal at (909) 396-2543.

The operation of your facilities is bound by the conditions and/or requirements stated in your Facility Permit to Operate. If you determine any administrative errors, please contact Mr. Gaurang Rawal at the above number within 30 days of receipt of your permit.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Chen", is written over the typed name.
