Subject: Proposed De Minimis Significant Revision to Title V Facility Permit for Chevron Products Co., El Segundo Refinery (Facility ID #800030)

Dear Mr. Rios:

Enclosed for your 45-day review are the proposed revision to the Title V facility permit for Chevron Products Company (Chevron) located at 324 West El Segundo Blvd, El Segundo, California. The proposed revision is a De Minimis Significant revision and a public notice is not required.

The South Coast Air Quality Management District (SCAQMD) has received the application for Permits to Operate from Chevron for the equipment described in table below. The SCAQMD has evaluated the application and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our rules and regulations. The revised portions of the permit and our evaluation report are attached for your review.
