75 Hawthorne Street
San Francisco, CA 94105

SUBJECT: Proposed Title V Permit Renewal
Tesoro Refining and Marketing Company, LLC.
Sulfur Recovery Plant, Facility ID: 151798

Dear Mr. Rios:

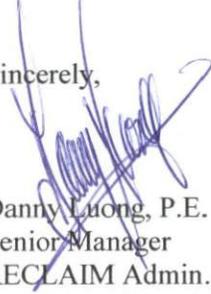

The South Coast Air Quality Management District (SCAQMD) has completed its review of the enclosed Title V permit renewal application for the Sulfur Recovery Plant (ID: 151798) of Tesoro Refining and Marketing Company, LLC located at 23208 S. Alameda Street., Carson, CA 90810. This facility processes sour water and rich amine solution containing hydrogen sulfide and ammonia that are generated from the Tesoro Los Angeles Refinery (ID: 800436) in Wilmington to produce saleable liquid sulfur and return the stripped water and lean amine solution back to the refinery for reuse.

Enclosed is the proposed Title V permit renewal, along with the facility's permit application, Statement of Basis, and public notice for your 45-day review.

SCAQMD intends to publish a 30-day public notice on or about November 5, 2014, and make the proposed permit available for the public to review in accordance with District Rule 3006.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or wish to provide comments regarding this proposed permit, please contact Mr. Thomas Lee at (909) 396-3138 (tlee1@aqmd.gov).

Sincerely,

Danny Luong, P.E.
