**SUBJECT:** Rule 463 Inspection & Maintenance Plan Approval  
A/N552295  
Tesoro Refining and Marketing Company, LLC,  
Wilmington Refinery (Facility ID #800436)

Dear Mr. Seese:

The South Coast Air Quality Management District has reviewed your Rule 463 Inspection & Maintenance plan dated December 2013. In accordance with the requirements in Rule 463(e)(1)(A), your facility submitted this plan for Executive Officer approval. This plan includes an inventory and self-inspection schedule for floating roof storage tanks, as well as safety procedures for floating roof tanks and the number of certified persons dedicated to the inspection and maintenance program.

Based on the information submitted, your Rule 463 Inspection and Maintenance Plan has been reviewed and approved, subject to the following conditions:

1. The operator shall conduct the operation of the storage equipment in compliance with all data and specifications submitted with the plan application under which this approval is granted.
2. Floating roof tank seals shall be properly installed and continuously maintained in good operating condition.

The facility shall be subject to the terms and conditions of this plan unless this plan is suspended, revoked, modified, re-issued or denied. Failure to maintain a valid plan is a violation of Rule 463.

It is the responsibility of the facility to comply with other District Rules and Regulations and with all laws, ordinances and regulations of other government agencies which are applicable to the operation of the equipment.

This plan does not authorize the emission of air contaminants in excess of those allowed by Division 26 of the Health and Safety Code of the State of California of the Rules and Regulations of the SCAQMD. This plan cannot be considered as permission to violated existing laws, ordinances, regulation, or status of the other government agencies.

Please contact Ms. Sawsan Andrawis at 909-396-2607/ sandrawis@aqmd.gov if you have any questions.

Sincerely,

Danny Luong, P.E.
