Subject: Proposed Minor Significant Revision to Title V Facility Permit for Tesoro Refining and Marketing Company, Los Angeles Refinery (Facility ID# 800436)

Dear Mr. Rios:

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for Tesoro Los Angeles Refinery (Tesoro) located at 2101 East Pacific Coast Highway, Wilmington, California. The revision proposed under application A/N 509886 is a Minor Revision and a public Notice is not required.

The South Coast Air Quality Management District (AQMD) has received the application for Permit to Operate from Tesoro for the equipment described below. The AQMD has evaluated the application and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our rules and regulations. The revised portions of the permit and our evaluation report are attached for your review.

Application No.	Equipment	Application for
509460	Coker Heater H-101	Change of condition to add a new condition to clarify that CO concentration limit of 35 ppm does not apply during startups/shutdowns and decoking periods.

This letter is being sent to you via email in order to facilitate your review. If you have any questions or wish to provide comments regarding this project, please contact Ms. Sawsan Andrawis at (909) 396-2607 or at sandrawis@aqmd.gov.
