**Background:**

This application 550809 was submitted for Title V permit revision on 05/13/2013, to include;

Rule 1150 Excavation Plan filed under A/N 548531

This revision is considered a de-minimis significant permit revision as it includes excavation plan. Public notice is not required; however, the de-minimis revision is subject to EPA 45-day review and comment period. Evaluation for the Rule 1150 Excavation plan (A/N 548531) is included in folder.

**Rules Evaluation:**

Compliance with applicable rules and Reg. XXX -Title V permits is expected.

**Conclusions & Recommendations:**

Issue the revised Title V permit, under a/n 550809, upon completion of 45-day EPA review and commenting period.
