Dear Ms. Ramirez:

Pursuant to Title 17 of the Pima County Code (§17.12.190.A.2), we are enclosing the University of Arizona proposed final permit for your review. This is a 5-year renewal. The Technical Support Document and potential to emit documents are included as well. Local public notice for University of Arizona permit renewal began on September 28, 2009 and included publication notices in the Tucson, Arizona area. During the 30-day public comment period, we received neither comments nor any requests for a public hearing.

We would appreciate prompt notification if you determine, prior to the end of the 45-day review period, that you have no objection to our issuing the permit.

If you have any questions or need additional information, please contact Rupesh Patel at (520) 740-7341.

Sincerely,

A handwritten signature in black ink, appearing to read "Mukonde Chama".
