## NOTICE OF RENEWAL OF TITLE V PERMIT

The South Coast Air Quality Management District (SCAQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. This is to inform the public of the intention of the SCAQMD to renew the existing Title V permit previously issued to the facility listed below.

### Facility location and contact person

Manager of Planning and Environmental Compliance

The facility operates a sewage treatment plant. This permit consists of four emergency internal combustion engines for electrical generation, an anaerobic sewage treatment plant, two biofilters, an odor scrubber, a digester gas flare, two digester gas/natural gas boilers, and two digester gas fired engines at this facility.

Pursuant to Title V of the federal Clean Air Act and SCAQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested that SCAQMD renew their Title V permit. The proposed permit incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility. As required by Title V of the federal Clean Air Act, the Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. The facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permit is available for public review at SCAQMD, 21865 Copley Dr., Diamond Bar, CA 91765, and at the Ontario City Public Library (Ovitt Family Community Library), 215 East C Street,

Ontario, CA 91761-4111. The proposed permit can also be viewed at <http://www3.aqmd.gov/webapp/publicnotices2/> by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the SCAQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the SCAQMD based on credible information, is also available from the SCAQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by July 16, 2013. Written comments should be submitted to:**

Attention: Angela Shibata  
AQ Engineer II

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Ms. Angela Shibata at (909) 396-2737 or by email at [ashibata@aqmd.gov](mailto:ashibata@aqmd.gov).

The public may request the SCAQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Angela Shibata at the above SCAQMD address. The public hearing request must contain all the information requested on the form in order for the SCAQMD to determine whether or not the request is valid or if a public hearing will be held. The public hearing request forms may be obtained from the SCAQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at <http://www.aqmd.gov/permit/Formspdf/TitleV/AQMDForm500-G.pdf>. **Any request for public hearings must be submitted to the SCAQMD no later than July 2, 2013. A copy of the hearing request must also be sent by first class mail to the facility contact person listed above, at the same time.**

For your general information, anyone experiencing air quality problems such as dust, smoke or odors can telephone in a complaint to the SCAQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
