SUBJECT: Proposed Title V Permit Renewal
Valero Wilmington Asphalt Plant (ID: 800393)

Dear Mr. Rios:

The South Coast Air Quality Management District (AQMD) has completed its review of the enclosed Title V permit renewal application for Valero Wilmington Asphalt Plant (facility ID 800393), located at 1651 Alameda Street, Wilmington CA 90744. This facility is a crude oil processing facility designed to produce paving grade asphalt.

Enclosed is the proposed Title V permit renewal, along with the facility's permit application, Statement of Basis, and public notice for your 45-day review and commenting period.

AQMD intends to publish a 30-day public notice and shall make the proposed renewal permit available for public reviewing in accordance with Rule 3006.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or wish to provide comments regarding this proposed permit, please contact Ms. Angelita Alfonso at (909) 396-2255 or at (aalfonso@aqmd.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jay Chen', is written over a faint, larger version of the signature.
