Dear Ms. Wang:

RE: Administrative Revision to Title V Permit for SFPP, LP
Facility ID# 800129 (Colton South Terminal)

Enclosed are the revised Title Page, Table of Contents, and Section D of your Title V Facility Permit. The revised sections reflect the issuance of new Permit(s) to Operate and the removal of the corresponding, previous Permit(s) to Operate from Section D:

Section D – Permits to Operate

Old Application Number	New Application Number	New Permit to Operate Number	Equipment Description
338248	462692	G15504	STORAGE TANK, FX ROOF W/INT FLT ROOF, (C-6)
197112	464471	G15505	STORAGE TANK, FX ROOF W/INT FLT ROOF, (C-17)

The above tanks replaced their primary and secondary seals. This type of modification is considered an “administrative permit revision”. Neither an EPA 45-day notification nor a public notice is required.

Please review the attached sections carefully. Insert the enclosed sections into your Title V Facility Permit and discard the earlier versions.
