Ms. Yijin Wang
Manager – Air Quality
SFPP, LP
1100 Town & Country Blvd.
Orange, California 92868

Dear Ms. Wang:

RE: SFPP, LP - Watson
Facility ID # 800278

Enclosed are the revised Title Page, Table of Contents, and Section D of your Title V Facility Permit. The revised sections reflect the issuance of Permit(s) to Operate as follows:

Section D – Permits to Operate Added

Appl. No.	Permit to Operate No.	Equipment Description
504556	G10138	INTERNAL COMBUSTION ENGINE, EMERGENCY FIRE PUMP

In addition, the Rule 219 Exempt Equipment portion of Section D has been updated to include diesel fueled internal combustion engines that are rated 50 brake horse power or less.

Also, please note that the following permits were originally approved and included in revision no. 2 issued December 1, 2009, but were inadvertently omitted when revision no. 3 was issued July 16, 2010. They are again included here in Section D of revision no. 4.

Appl. No.	Permit to Operate No.	Equipment Description
501173	G5003	STORAGE TANK FX RF W/INT FLT, KEROSENE, DIESEL (W-16)
501174	G5004	STORAGE TANK FX RF W/INT FLT, KEROSENE, DIESEL (W-17)
501175	G5005	STORAGE TANK FX RF W/INT FLT, KEROSENE, DIESEL (W-18)

This revision is covered under A/N 504557 and is a “significant permit revision” to the Title V permit previously revised July 16, 2010 under A/N 502202. There were no comments

Ms. Yijin Wang

received during the 45-day EPA comment period nor during the 30-day public comment period which both began about August 5, 2010.

Please review the attached sections carefully. Insert the enclosed sections into your Title V Facility Permit and discard the earlier versions.

The operation of your facility is bound by the conditions and/or requirements stated in the facility Permit to Operate. If you determine that there are administrative errors, or if you have any questions concerning changes to your permit, please contact Ms. Linda Dejbakhsh, Air Quality Engineer, at (909) 396-2614 within 30 days of the receipt of your permit.

Sincerely,

Jay Chen, P.E.
