SUBJECT: Proposed Minor Permit Revision to Title V Facility Permit for Chevron Products Company (Facility ID: 800030)

Dear Mr. Rios:

Enclosed for your 45-day review is the proposed revision to the Title V permit for El Segundo Refinery of Chevron Products Company located at 324 W. El Segundo Boulevard, El Segundo, CA 90245. The operator submitted an application to modify the Effluent Treating Plant by the addition of carbon adsorber EFS-10 to control VOC emissions from the forebay of the Effluent Treating Plant. This permit to operate is considered to be a Minor permit revision and a public notice is not required. We are enclosing a copy of the revised permit as shown below, as well as a copy of the engineering evaluation.

SECTION D (Permit to Operate)

Application . No.	Equipment	Process	System
405763	Modification of the Oil/Water Separation Effluent Treating Plant by installing carbon adsorber to control emissions from No. 2 forebay	15	4

This proposed revision is covered under application no. 505399.

This 45-day review request is being made via electronic submittal in order to facilitate this review. If you have any questions or wish to provide comments regarding this proposed permit, please contact Ms. Belinda Wan at (909) 396-2532 or by email at bwan@aqmd.gov.

Sincerely,

Jay Chen, P.E.
