Mr. Gerardo Rios
Chief – Permits Office
U. S. EPA, Region IX
75 Hawthorne Street, Air 3
San Francisco, CA 94105

Dear Mr. Rios:

Robinson Helicopter Co. Inc. (I.D. 100806) has proposed to revise their Title V permit by adding a new regenerative thermal oxidizer, and by modifying three spray booths and three ovens. This is an aircraft manufacturing facility (SIC 3721) located at 2901 Airport Drive, Torrance, CA 90505. This proposed permit revision as requested under application Number 534353 is considered as a “de minimis significant permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on May 16th.

If you have any questions or need additional information regarding the proposed permit revision, please call Hamed Mandilawi at (909) 396-3275.

Very truly yours,

A handwritten signature in black ink that reads "Brian L. Yeh".
