Mr. Steve Piatek
Acting Director of Environmental Services
Edgington Oil Company
2400 E. Artesia Blvd.
Long Beach, CA 90805

SUBJECT: Revised Final Title V Facility Permit
Edgington Oil Company (Facility ID #800264)

Dear Mr. Piatek:

Please find attached the revision of your Title V Facility Permit for Edgington Oil Company located at 2400 E. Artesia Blvd., Long Beach, California. The attached revision includes the following sections:

- Title page (Revision #35)
- Table of contents (Revision #35)
- Section A (Revision #12)
- Section D (Revision #19)
- Section H (Revision #20)

Section A (Facility Information) – Administrative Revision

This Section has been updated with a new responsible official and contact person at the request of the facility.

Section D (Permit to Operate) – Administrative Revision

The revised Section D of the Facility Permit reflects the inclusion of the following applications approved for Permits to Operate:

Appl. No.	Description	Device	Process	System
336128	Crude Heater – Conversion of a Permit to Construct, for installation of low NOx burner, into a Permit to Operate.	D187	1	5
339741	Boiler – Conversion of a Permit to Construct, for installation of low NOx burner, into a Permit to Operate.	D196	7	-
357907	Asphalt Heater – Conversion of a Permit to Construct, for installation of low NOx burner, into a Permit to Operate.	D280	2	8
408951	Scrubber – Conversion of a Permit to Construct, for construction of the AB fumes scrubber, into a Permit to Operate.	C376	2	7

Cleaning the air that we breathe...

Appl. No.	Description	Device	Process	System
471236	Fuel Gas Treating System – Conversion of a Permit to Construct, for installation of two compressors to route vacuum unit offgas to D38 for disposal, into a Permit to Operate.	D19, D20, D201, D300, D295, Dxxx	3	4

Section D (Permit to Operate) – Minor Revision

Appl. No.	Description	Device	Process	System
383221	Boiler – Conversion of a Permit to Construct, for SOx SuperCompliant reclassification pursuant to Rule 2011 with change of condition to use new emission factors to report NOx and SOx emissions as an incinerator, into a Permit to Operate.	D38	7	-

Section H (Permit to Construct) – Administrative Revision

This Section has been updated to reflect the removal of Permits to Construct that were converted to Permits to Operate.

The proposed permit revision for A/N 383221 was submitted for EPA's 45-day review on October 23, 2012. No comments were received from the EPA.

This Title V permit revision is covered under application no. 545625. Please review the attached sections carefully. Insert the enclosed sections into your Title V Facility Permit and discard the earlier versions. Questions concerning changes to your permit should be directed to Mr. Thomas Lee at (909) 396-3138 or by email at tlee1@aqmd.gov.

Sincerely,

Jay Chen, P.E.
