Re: Proposed Title V Minor Permit Revision (A/N 533440), LACSD- Palos Verdes, ID # 24520

Dear Mr. Rios,

Enclosed for your 45-day review is the proposed revision to the Title V Permit (A/N 533440) for LA County Sanitation District (LACSD) - Palos Verdes Landfill (ID # 24520), located at 26301 S. Crenshaw Boulevard, Rolling Hills Estate, CA 90274. This revision is considered a minor revision, is not subject to NSPS or NESHAP and no public notice is required. We are enclosing the appropriate pages of the proposed Section D which includes the permit as shown below, and the engineering evaluation.

SECTION D: Facility Equipment and Requirements

Appl. No.	Permit to Operate	Equipment	Description
526209	TBD	LFG Flaring System	Revise permit condition No.11 for existing permit to operate G24651 (A/N 483623). This change clarifies that flare operating temperature compliance requirement excludes flare start up and shutdown period; not to exceed 30 minutes.

This revision is covered under application number 533440.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Gaurang Rawal at (909) 396-2543 or by email at grawal@aqmd.gov.

Sincerely,
