Re: Notice of Proposed Decision - Significant Title V Permit Modification F-01392-3

Dear Mr. Rios:

Enclosed for your review and comment are the District's proposed revised Title V operating permit F-01392-3, Statement of Basis Addendum, Public Notice, and proposed Authority to Construct (ATC) for the Yolo County Central Landfill (YCCL). The landfill is located at 44090 County Road 28H in Woodland, California.

This notification is given in accordance with District Rule 3.8, Section 409.1 (a 30-day public notice comment period) and Sections 409.1.e and 411 (a concurrent 45-day regulatory review period) for a significant Title V permit modification. The proposed revisions are necessary due to the pending issuance of ATC C-07-164, which proposes modifications to the landfilling operation. Upon request, a copy of the District's engineering evaluation and proposed ATC is available for your review.

ATC application C-07-164 has been processed in accordance with the Enhanced New Source Review requirements of District Rule 3.4, Section 404. Section 404.1 of District Rule 3.8, requires that upon the implementation of ATC C-07-164 into Permit to Operate P-15-05(a) YCCL request, in writing, that the District amend the Title V operating permit to incorporate the proposed modifications.

The notice of preliminary decision for this project will be published in the Woodland Democrat newspaper approximately three days from the date of this letter. Please submit your written comments concerning this project within the 45-day comment period which will begin on the date that the documents are received by your agency. The District respectfully requests notification of the date that the enclosed documents are received.

If you have any questions, please contact René Toledo at (530) 757-3679 or toll-free in the (530), (916), and (707) area codes at (800) 287-3650.

Sincerely,

Susan K. McLaughlin
Supervising Air Quality Engineer
