Dear Ms. Jordan:

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comment on the proposed permit. The notice inviting written public comments will be published in the San Jose Mercury News. The final date for comments is June 30, 2009.

The initial Title V permit for this facility was issued on November 21, 2001. Details of the previous revisions can be found in Section X of the permit "Revision History". All changes to the most recent version of the permit are clearly shown in strikeout/underline format.

The proposed permit and statement of basis can be viewed on the BAAQMD website at: http://www.baaqmd.gov/pmt/title_v/public_notices.htm. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis T. Jang, Senior Air Quality Engineer, at (415) 749-4707.
