Dear Mr. Rios:

Quebecor World Great Western Publishing, Inc. (I.D. 132368) has proposed to revise their Title V permit by adding a lithographic printing system to replace two existing printing systems and modifying an existing air pollution control system by adding an additional regenerative thermal oxidizer. This is a commercial printing facility (SIC 2752) located at 6688 Box Springs Blvd., Riverside, CA 92507. This proposed permit revision is considered as a “de minimis significant permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. Also, enclosed is Section K of the permit reflecting updates to some of the rules applicable to the facility

If you have any questions or need additional information regarding the proposed permit revision, please call Brian Yeh at (909) 396-2584 or Hamed Mandilawi at (909) 396-3275.

Very truly yours,
