Dear Mr. Rios:

Proposed Significant Revision to Title V Permit for Eastern Municipal Water District (EMWD),
Moreno Valley Regional Water Reclamation Facility (ID#13088)

Enclosed for your 45-day review is the proposed revisions to the Title V Permit for EMWD, Moreno Valley Facility located at 17140 Kitching Street, Moreno Valley, CA. This revision is considered to be a significant permit revision because the proposed equipment installation is subject to NSPS, and NESHAP, and a public notice is required. We are enclosing proposed section H, which includes the revised permit as shown below, and the engineering evaluation.

SECTION H PERMIT TO CONSTRUCT

Appl. No.	Description
499768	Flare, Enclosed Landfill/Digester Gas
499769	Internal Combustion Engine, Emergency Electric Generator, Diesel Fired, >500 bhp

The initial Title V permit for this facility was issued on April 3, 2007. The facility has requested construction of a new electric generator, and new flare, each subject to the applications listed above, and then filed application No. 499770 for a significant revision to the Title V facility permit.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Ken Matsuda at (909) 396-2656 or by email at kmatsuda@aqmd.gov.

Sincerely,
