Mr. Gerardo Rios  
Chief – Permits Office  
U. S. EPA, Region IX  
75 Hawthorne Street, Air 3  
San Francisco, CA 94105

Dear Mr. Rios:

QG Printing Corp. (I.D. 132368) has proposed to revise their Title V permit by adding a new lithographic printing system, changing the permit conditions for a lithographic printing system, and modifying an air pollution control system. This is a commercial printing facility (SIC 2752) located at 6688 Box Springs Blvd., Riverside, CA 92507. This proposed permit revision as requested under Application No. 555842 is considered as a “de minimis significant permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on October 10, 2013.

If you have any questions or need additional information regarding the proposed permit revision, please call Hamed Mandilawi at (909) 396-3275.

Very truly yours,

A handwritten signature in black ink, appearing to read "Amir Dejbakhsh", written in a cursive style.

Amir Dejbakhsh  
Senior Engineering Manager  
Coating, Printing, Plating, Military
