Dear BILL WIMER:

Enclosed is your re-issued Facility Permit for Compliance Year 2014 (January 1 through December 31, 2014). This reissuance is an Administrative Permit Revision to your Title V Facility Permit and only includes Section B (RECLAIM Annual Emission Allocations) in accordance with Rule 2002(b)(4).

Please review the enclosed Section B carefully, as it will be part of your official Facility Permit. The changes are stated below. Please note that the South Coast Air Quality Management District (SCAQMD) rules allow you to appeal the terms and conditions of any sections of the enclosed Facility Permit by petitioning the Hearing Board within thirty days of receipt of the permit.

You have recently been sent an invoice for the annual operating renewal fee for your facility permit. This must be paid on or before the due date indicated on the invoice or your facility permit will expire due to non-payment of fees.

A. Facility Permit

The enclosed Facility Permit contains changes described as follows:

1. The revision numbers and dates of the Title Page and the Table of Contents have been updated to reflect the reissuance of the enclosed permit sections.
2. Section B – RECLAIM Annual Emission Allocation
Section B has been updated to reflect all approved RECLAIM Trading Credits transactions that have occurred, except that any such transactions submitted since December 15, 2013 may or may not be reflected in Section B. Therefore, if you submitted any RTC transactions during this period of time, please review your records carefully to ensure that you take any resulting changes in your facility's RTC balances into account when reconciling your facility's emissions.

B. Appeals

As previously mentioned, if you determine that certain changes or clarifications need to be made to the enclosed permit, you may appeal the terms and conditions by petitioning the Hearing Board within thirty days of receipt. If you determine there are administrative errors in these permit sections, please notify SCAQMD staff within thirty days of receipt of your permit sections. Your facility is still bound by the requirements of your entire Facility Permit while your appeal is under consideration by SCAQMD staff and/or Hearing Board.

Any comments or questions regarding your RECLAIM Facility Permit may be directed to Charles Tupac, Air Quality Analysis and Compliance Supervisor at (909) 396-2684.

Sincerely,

Andrew Lee, P.E.
