Dear Mr. Rios:

Graphic Packaging International, Inc. has proposed to revise their Title V permit by installing a lithographic printing press. This is a large sized folding carton manufacturing facility (SIC 2657) located at 1600 Barranca Parkway, Irvine, CA 92606. The proposed permit revision as requested under Application Number 545697 is considered as a "de-minimis significant permit revision" to their Title V permit. Attached for your review are a permit evaluation and a draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on the January 16th.

Pursuant to AQMD Rule 212 - Standards for Approving Permits and Issuing Public Notice, new or modified sources exceeding any of the specified daily maximums are subject to the public notification and comment provisions of 40 CFR Part 51, Section 51.161(b), and 40 CFR Part 124, Section 124.10. Please find enclosed a public notice for Graphic Packaging International, Inc. issued in accordance with Rule 212(g). The public notice provides for a 30-day comment period prior to making a final decision on the issuance of the permit, and is also being published in a newspaper of general circulation in the vicinity of the facility. This notice is being distributed to each address within a ¼-mile radius of the property line of the facility. This notice is also being sent to the California Air Resources Board, the Southern California Association of Governments, the County of Orange, the City of Irvine, and the State and Federal Land Managers.

If you have any questions or wish to provide comments regarding this project, please call Mr. Ed Muehlbacher at (909) 396-2703.

Very truly yours,
