## NOTICE OF PROPOSED TITLE V RENEWAL PERMITS

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permits that were previously issued to the following facilities:

### **Bau Furniture Manufacturing**

10551 Humbolt Street  
Los Alamitos, CA 90720  
Facility ID# 14931

*Contact Person:*

Linda Bau  
Vice President  
10551 Humbolt Street  
Los Alamitos, CA 90720

This is an existing facility applying for Title V permit renewal that is engaged in the manufacturing of wooden furniture. The facility operates four spray booths and other supporting equipment.

### **Epsilon Plastics Inc.**

3100 East Harcourt Street  
Rancho Dominguez, CA 90221  
Facility ID# 136202

*Contact Person:*

Marwan Isshak  
President  
3100 East Harcourt Street  
Rancho Dominguez, CA 90221

This is an existing facility applying for a Title V permit renewal that is engaged in plastic bag manufacturing. The facility operates eight bag manufacturing/printing systems with flexographic printing presses, and other supporting equipment.

### **Hitco Carbon Composites Inc.**

1600 West 135th Street  
Gardena, CA 90249  
Facility ID# 800066

*Contact Person:*

B J Schramm  
Chief Operating Officer  
1600 West 135th Street  
Gardena, CA 90249

This is an existing facility applying for a Title V permit renewal that is engaged in aerospace composite manufacturing. The facility operates spray booths, boilers, emergency internal

combustion engines, storage tanks, hydraulic presses, furnaces, ovens, electrostatic precipitators, a scrubber, abrasive blasting equipment and associated air pollution control equipment baghouses, autoclaves, and other supporting equipment. The VOC emissions from the operation of the furnaces are controlled by air pollution control equipment afterburners.

### **Mask-Off Company, Inc.**

328 West Chestnut Avenue  
Monrovia, CA 91016  
Facility ID# 800398

*Contact Person:*

Steven Sites  
President  
345 West Maple Avenue  
Monrovia, CA 91016

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of adhesive coating. The facility operates two adhesive coating and drying systems, two mixers, and other supporting equipment. The VOC emissions from one of the adhesive coating and drying systems is vented to an air pollution control equipment regenerative thermal oxidizer.

### **Molino Company**

5949 Smithway Street  
Commerce, CA 90040  
Facility ID# 81199

*Contact Person:*

Melchor Castano  
President  
5949 Smithway Street  
Commerce, CA 90040

This is an existing facility applying for Title V permit renewal that is engaged in commercial printing. The facility operates three lithographic printing presses, and other supporting equipment.

### **Regal Cultured Marble**

1239 East Franklin Avenue  
Pomona, CA 91766  
Facility ID# 149241

*Contact Person:*

Phillip Black  
President  
1239 East Franklin Avenue  
Pomona, CA 91766

This is an existing facility applying for Title V permit renewal that is engaged in custom bathroom and kitchen fixture fabrication. The facility operates five spray booths, five ovens, open spray equipment, two storage tanks, a plastic grinding system and associated air pollution control equipment baghouse, and other supporting equipment.

**The Boeing Company – C17 Program**

2401 East Wardlow Road  
Long Beach, CA 90807  
Facility ID# 800038

*Contact Person:*

William Pearce  
Technical Specialist  
3855 Lakewood Blvd., M/S D850-0009  
Long Beach, CA 90846

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of military aircraft. The facility operates spray booths, boilers, emergency and non-emergency internal combustion engines, storage tanks, and other supporting equipment.

**The Strip Joint, Inc.**

136 North Catalina Avenue  
Redondo Beach, CA 90277  
Facility ID# 24730

*Contact Person:*

Patrick Mitchell  
President  
136 North Catalina Avenue  
Redondo Beach, CA 90277

This is an existing facility applying for Title V permit renewal that is engaged in the business of refinishing and upholstering furniture. The facility operates a spray booth, a dip tank, and other supporting equipment.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal

application and all rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Los Angeles Public Library, Science, Technology, and Patents Department, 630 West 5<sup>th</sup> Street, Los Angeles, CA 90071. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call the AQMD's Title V hotline at (909) 396-3013. Written comments should be submitted to:

South Coast Air Quality Management District  
Coating, Printing, and Aerospace Operations Team  
21865 Copley Drive  
Diamond Bar, CA 91765-4178  
Attention: Brian Yeh

Comments must be received by December 21, 2007. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request AQMD to conduct a public hearing on the proposed permits by submitting a Hearing Request Form (Form 500-G) to Brian Yeh at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permits are not correct or are not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permits. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or from the internet at <http://www.aqmd.gov/titlev>. Requests for public hearings are due by November 29, 2007. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.

## NOTICE OF PROPOSED TITLE V RENEWAL PERMITS

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permits that were previously issued to the following facilities:

### **Krystal Koach Inc.**

2701 East Imperial Highway  
Brea, CA 92821  
Facility ID# 108620

#### *Contact Person:*

Mike Hill  
VP Operations  
2701 East Imperial Highway  
Brea, CA 92821

This is an existing facility applying for a Title V permit renewal that is engaged in limousine manufacturing. The facility operates eighteen spray booths, eleven open spray systems, and other supporting equipment.

### **Willard Marine Inc.**

1250 North Grove Street  
Anaheim, CA 92806  
Facility ID# 62617

#### *Contact Person:*

Robert Pearcy  
President  
1250 North Grove Street  
Anaheim, CA 92806

This is an existing facility applying for a Title V permit renewal that is engaged in the manufacturing of light-weight boats for the Navy and Coast Guard. The facility operates a paint spray room and other supporting equipment.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal application and all

rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Anaheim Central Library, 500 West Broadway, Anaheim, CA 92805. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call the AQMD's Title V hotline at (909) 396-3013. Written comments should be submitted to:

## NOTICE OF PROPOSED TITLE V RENEWAL PERMIT

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permit that was previously issued to the following facility:

### **Sundance Spas Inc.**

14525 Monte Vista Avenue  
Chino, CA 91710  
Facility ID# 123970

#### *Contact Person:*

Steve Purcell  
Vice President  
14525 Monte Vista Avenue  
Chino, CA 91710

This is an existing facility applying for Title V permit renewal that is engaged in spa manufacturing. The facility operates four spray booths, two dip tanks, four mixing tanks, ten storage tanks, and other supporting equipment. The VOC emissions from the spray booths, mixing tanks, and storage tanks are vented to an air pollution control equipment regenerative thermal oxidizer.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permit is available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Chino

Public Library, 13180 Central Avenue, Chino, CA 91710. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call the AQMD's Title V hotline at (909) 396-3013. Written comments should be submitted to:

South Coast Air Quality Management District  
Coating, Printing, and Aerospace Operations Team  
21865 Copley Drive  
Diamond Bar, CA 91765-4178  
Attention: Brian Yeh

Comments must be received by December 21, 2007. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Brian Yeh at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. A public hearing request form and the public hearing schedule may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or from the internet at <http://www.aqmd.gov/titlev>. The request for a public hearing is due by November 29, 2007. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
