Dear Mr. Rios:

American Dock Box (I.D. 152948) has proposed to revise their Title V permit by adding two spray booths and three filter banks, and removing one spray booth. This is a fiberglass storage box manufacturing facility (SIC 3089) located at 19940 Hansen Avenue, Nuevo, CA 92567. This proposed permit revision as requested under Application No. 493125 is considered as a “minor permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on February 27, 2009.

If you have any questions or need additional information regarding the proposed permit revision, please call Stacey Ebiner at (909) 396-2504.

Very truly yours,
