Subject: Administrative Revision to Title V Permit for Conoco-Phillips ID#18503

Dear Mr. Adams:

Enclosed are the revised Title Page, Table of Contents, and Section A of the Title V Facility Permit for Conoco-Phillips, located at 271 E. Slover, Rialto, CA. Due to typographical errors by the AQMD, the revised sections reflect the changes as follows:

Section A

Change responsible official to Gabe Munoz and include contact telephone number.

This change is an administrative change to the Title V permit previously issued on February 23, 2009. Please review the attached sections carefully. Insert the enclosed section into your Title V Facility Permit and discard the earlier versions.

The operation of your facility is bound by the conditions and/or requirements stated in the facility Permit to Operate. If you determine there are administrative errors, or if you have any questions concerning the changes to your permit, please contact Thomas Liebel, Senior Air Quality Engineer, at (909) 396-2554 within 30 days of the receipt of your permit.

Sincerely yours,
