Dear Mr. Choe:

On April 2, 2010, the AQMD mailed to you Revision No. 3 to Section D of your Title V permit for the facility listed above. Since then, ExxonMobil has notified the AQMD of items in Sections D subject to that revision that were incorrect. These items were determined to be oversights and typographical errors by the AQMD, and therefore we are re-issuing Section D of your Title V permit to include the corrections as an administrative revision.

Please find enclosed Revision No. 4 of the Cover Page, Table of Contents, and Section D of your Title V permit. Please review these items carefully and insert them into your Title V permit. If you have any questions, please contact Thomas Liebel of the Refinery and Waste Management Team at (909) 396-2554.

Sincerely,

Jay Chen, P.E.
