Re: Inland Empire Utilities Agency RP-5, Facility ID 147371

Dear Mr. Rios:

The South Coast Air Quality Management District (AQMD) has completed its engineering review of the enclosed proposed Title V permit renewal application (A/N 519296) for Inland Empire Utilities Agency RP-5 (Facility ID 147371) located at 6063 Kimball Avenue, Chino, CA, in San Bernardino County. This facility is a sewage treatment and manure/food processing facility. Enclosed are the proposed Title V permit, the Statement of Basis, the permit applications, the permit summary, and the public notice, for your 45-day review and commenting period.

Additionally, the following modifications have been made under Administrative Permit Revision:

Appl. No.	Equipment	Description
357035	SEWAGE TREATMENT (>5 MGD) AEROBIC	Converted from a Permit to Construct to a Permit to Operate.
357036	BIOFILTER (>100 CFM)	Converted from a Permit to Construct to a Permit to Operate.
388297	FLARE, OTHER, (SHF)	Equipment was inactivated since is no longer operated at the facility, the permit was removed from the Title V facility permit.

AQMD intends to publish a 30-day public notice and shall make the proposed renewal permit available for public reviewing in accordance with Rule 3006.

If you have any questions or comments regarding this project, please call the processing engineer, Ms. Angela Shibata, at (909) 396-2737 prior to the closing dates of the review periods.

Very truly yours,

Jay Chen, P.E.
Senior Manager
Refinery and Waste Management Permitting
