This revision is covered under A/N 532705 and is a "de minimus significant permit revision" to the Title V permit previously dated May 11, 2012. No comments were received during the EPA comment period which began about June 6, 2012.

Please review the attached sections carefully. Insert the enclosed sections into your Title V Facility Permit and discard the earlier versions.

The operation of your facility is bound by the conditions and/or requirements stated in the facility Permit to Operate. If you determine that there are administrative errors, or if you have any questions concerning changes to your permit, please contact Ms. Linda Dejbakhsh, Air Quality Engineer, at (909) 396-2614 within 30 days of the receipt of your permit.

Sincerely,
