Subject: Transmittal of Final Title V Permit (Renewal) for the City of LA, Bureau of Sanitation - Lopez Canyon Landfill (Facility ID 49805)

Dear Mr. Gharios:

Enclosed is the final Title V Facility Permit Renewal for the City of LA, Bureau of Sanitation (Lopez Canyon Landfill facility) located at 11950 Lopez Canyon Rd., Lake View Terrace, CA, which has been issued by the South Coast Air Quality Management District (AQMD). This Title V permit supersedes the previous Title V Permit issued by the AQMD to the facility listed above.

The final permit reflects the inclusion of the following changes:

#### Section A, Facility Information

The Responsible Official Name and the Contact Person Name and Title have been updated.

#### Section D, Permit to Operate

This section includes updated Facility Wide Conditions for Rule 1150.1 – Control of Gaseous Emissions from Active Landfills, which are requirements applicable to all equipment at the facility.

In addition to the above, the equipment list and conditions for individual permits have been updated/added, when necessary, to reflect the equipment remaining in operation and the new applicable regulatory requirements:

Application No.	Equipment Description	Description of Change
245157	Landfill Gas Flaring System	Condition No. 24 was added to comply with CAM requirements.
332971	Internal Combustion Engine – Emergency Generator	Condition No. 9 was added to comply with NESHAP requirements for stationary engines.
478490	Fuel Storage and Dispensing Facility	Existing equipment added.

Section I, Compliance Plan

Compliance Assurance Monitoring (CAM) application number was added to the list of approved plans.

Application No.	Application Description
528819	40 CFR Part 64: CAM Plan

Section K, Title V Administration

This section has been updated to include current applicable rules and requirements.

The draft copy of this permit was submitted to the EPA Region IX for a 45-day review period (June 6, 2012 to July 21, 2012) and made available for a 30-day public comment period (June 11, 2012 to July 11, 2012). The AQMD did not receive any comments on the draft permit.

Please review this facility permit carefully. If you determine that there are administrative errors in the permit, have any questions, or need additional information concerning this permit, please contact Charles Tupac of the Refinery and Waste Management Team at (909) 396-2684 within 30 days of the receipt of your permit.

Sincerely,
