RE: So. Cal. Gas Co. (ID 800128) Significant Permit Revision

Dear Mr. Rios:

Southern California Gas Company has proposed to revise their Title V permit under application no. 571466 by filing applications for modifications of four non-emergency engines and install a new non-emergency engine; this is a natural gas storage and transmission facility located at 12801 Tampa Ave., Northridge, CA 91326. This proposed permit revision is considered as a "Significant Permit Revision" to their Title V permit. Attached for your review are the evaluation and section H of the Facility permit for the proposed revision. With your receipt of the proposed Title V Permit Revision today, we will note that the EPA 45-day review period will begin on September 2, 2015.

If you have any questions concerning these changes, please call the permit processing engineer Mr. Roy Olivares at (909) 396-2208.

Very truly yours,

A handwritten signature in black ink, appearing to read "Andrew Lee". The signature is fluid and cursive, written over the typed name.
