NOTICE OF PROPOSED INITIAL TITLE V PERMIT

The South Coast Air Quality Management District (AQMD) is the air pollution control agency for the four county region including all of Orange County and non-desert portions of Los Angeles, Riverside and San Bernardino Counties. Rule 3006 requires that the AQMD publish this notice prior to the issuance of an initial Title V permit. An initial Title V Permit is being proposed for the facility below:

Tesoro Refining & Marketing Company, LLC

8601 S. Garfield Avenue
South Gate, CA 90280
Facility ID# 174727

Facility Contact Person:

Mr. Darrel Fah
Environmental Remediation Administrator

Tesoro Refining and Marketing Company, LLC is an existing facility that conducts remediation activities and currently operates a flame oxidizer soil vapor extraction (SVE) system, an internal combustion engine (ICE) SVE system, and a fixed roof storage tank. The facility also proposes to install and operate an additional flame oxidizer SVE system. All of the equipment is located at an existing facility (Tesoro Logistics, Vinvale Terminal, ID 174710), operating under a valid Title V permit. The facility is a petroleum product terminal that receives, temporarily stores, and distributes gasoline and diesel fuels and operates storage tanks, loading racks, and a vapor recovery system. The remediation equipment operating under Tesoro Refining and Marketing Company, LLC, which is on the same property as the Vinvale Terminal and is under common ownership, will be issued its own separate Title V Permit.

As required by Title V of the federal Clean Air Act, the Title V permit includes all the emission limits, applicable requirements and operating conditions on the equipment, including the requirements of 40CFR Part 64, Compliance Assurance Monitoring (CAM). Title V facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation of the permit conditions.

The proposed permit is available for public review at the SCAQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Leland R Weaver Library, 4035 Tweedy Boulevard, South Gate, CA 90280. The proposed permit can also be viewed at <http://www3.aqmd.gov/webappl/publicnotices2/Search.aspx> by entering the facility's ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information,

is also available from the AQMD for public review. **Anyone wishing to comment on the issuance of the proposed renewal permit should submit their comments by February 12, 2016. Written comments should be submitted to:**

South Coast Air Quality Management District
Engineering and Compliance
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attention: Andrew Lee
Sr. AQ Engineering Manager

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Mr. Andrew Lee at (909) 396-2643 or by e-mail at alee@aqmd.gov.

The public may request AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Andrew Lee at the above AQMD address. The public hearing request must contain all the information requested on the form in order for the AQMD to determine whether or not the request is valid and if a public hearing will be held. The public hearing request forms may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at <http://www.aqmd.gov/docs/default-source/grants/500-g-form.pdf?sfvrsn=2>. **Any request for a public hearing must be submitted to the AQMD no later than January 28, 2016. At the same time, a copy of the hearing request must also be sent by first class mail to the facility contact person listed above at the same time.**

Right to Petition U.S. Environmental Protection Agency (EPA) for Reconsideration: Title V Permits are also subject to review and approval by US EPA. If a public comment is sent to the SCAQMD for this permit, and the SCAQMD has not addressed the comment in a satisfactory manner, and the EPA has not objected to the proposed permit, then the public may submit a petition requesting that the EPA reconsider the decision not to object. Petitions shall be submitted to US EPA, Region 9, Operating Permits Section at 75 Hawthorne Street, San Francisco, CA 94105, within 60 days after the end of the 45-day EPA review period. The EPA review period for this permit starts no earlier than January 6, 2016. EPA's review status may be found at <http://www2.epa.gov/caa-permitting/electronic-permit-submittal-system-region-9>.

For your general information, anyone experiencing air quality problems such as dust, smoke and odors can telephone in a complaint to the AQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
