Mr. Gerardo Rios
Chief – Permits Office
U. S. EPA, Region IX
75 Hawthorne Street, Air 3
San Francisco, CA 94105

Dear Mr. Rios:

Subject: Engineered Polymer Solution, Inc. (ID 74060) – Title V Permit Revision

Engineered Polymer Solutions has proposed to revise their Title V permit by modifying their Resin Manufacturing System No. 3. In addition, they are proposing an administrative change to their Latex Emulsion Polymerization System K-5 and Storage Tank T-802, and change of conditions to Storage Tank TFX2, Storage Tank T-904, Alkyd-Vinyl Copolymerization System, and Air Pollution Control System. This is a polyurethane, alkyd, and polyester paint manufacturing facility (SIC 2851) located at 5501 East Slauson Avenue, Los Angeles, CA 90040. This proposed permit revision as requested under Application Number 499657 and 499660 is a “minor permit revision” to their Title V permit. Attached for your review are the evaluation and permit for the proposed revision. With your expected receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period begins on November 20, 2009.

If you have any questions or need additional information regarding the proposed permit revision, please call Douglas Gordon at (909) 396-2683.

Very truly yours,
