NOTICE OF PROPOSED TITLE V RENEWAL PERMIT

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permit that was previously issued to the following facility:

Storopack, Inc.

12007 S. Woodruff Ave.
Downey, CA 90241
Facility ID# 52742

Contact Person:

Lester Whisnant
Vice President
12007 S. Woodruff Ave.
Downey, CA 90241

This is an existing facility, applying for a renewal to their Title V permit. The facility manufactures polystyrene foam loose fill packaging materials from polystyrene pre-shaped pellets. This facility operates a polystyrene foam loose fill packaging materials manufacturing system, one boiler, one regenerative thermal oxidizer, one portable architectural coating system and other supporting equipment. The VOC emissions from the polystyrene foam loose fill packaging material manufacturing system are controlled by a Regenerative Thermal Oxidizer (RTO).

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, the above facility has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permit is available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Norwalk Regional Library, 12350 Imperial Hwy., Norwalk, CA 90650. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call the AQMD's Title V hotline at (909) 396-3013. Written comments should be submitted to:

South Coast Air Quality Management District
Chemical & Mechanical Operations Team
21865 Copley Drive
Diamond Bar, CA 91765
Attention: Tracy Nguyen

Comments must be received by January 13, 2010. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Tracy Nguyen at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. A public hearing request form and the public hearing schedule may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or from the internet at <http://www.aqmd.gov/titlev>. The request for a public hearing is due by December 29, 2009. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
