**Re: Notice of Minor Title V Permit Modification
District Facility # N-355
Project # N-1114013**

Dear Mr. Rios:

Enclosed for you to review is an application for minor Title V permit modification for the facility identified above. General Mills is proposing a Title V minor permit modification to incorporate the recently issued Authority to Construct N-355-6-4 into the Title V operating permit. The applicant is requesting to modify a bulk sweetener receiving and storage operation, to rebuild the steam-heated flour dryer and to add a new dust collector to a surge bin that is located within the dryer.

Enclosed is the engineering evaluation with the following attachments: proposed modified Title V permit, recently issued Authority to Construct N-355-6-4, emission increases, application, and previous Title V permit. Please submit your written comments on this project within the 45-day comment period that begins on the date you receive this letter.

Thank you for your cooperation in this matter. If you have any questions, please contact Mr. Rupi Gill at (209) 557-6400.

Sincerely,

David Warner
