Dear Mr. Pack:

Enclosed please find the revisions for the Title page, Table of Contents, and Section H, of your Title V Facility Permit. The revised Sections reflect the approval of a Significant Permit Revision of the Title V permit. A Public Notice was published on January 6, 2010, and no comments were received from the public. The revision to Section H includes the revised permit as shown below:

Please review the attached pages and then insert the enclosed sections in your Title V Facility Permit, and discard the earlier versions. If you have any questions concerning changes to your permit, or if you determine any administrative error, please contact Ken Matsuda at (909) 396-2656, within 30 days of the receipt of your permit.
