**Re: Notice of Final Action - Minor Title V Permit Modification
District Facility # N-956
Project # N-1120976**

Dear Mr. Rios:

The Air Pollution Control Officer has modified the Title V permit for The Wine Group by incorporating Permits to Operate N-956-309-0 to '-318-0. The proposed permit units N-956-309-1 through '-318-1 are existing distilled spirits storage tanks which are being issued permits as a result of loss-of-exemption.

Enclosed is the modified Title V permit. The application and proposal were sent to US EPA Region IX on July 30, 2012. No comments were received following the District's preliminary decision on this project.

Thank you for your cooperation in this matter. If you have any questions, please contact Mr. Jim Swaney, Permit Services Manager, at (559) 230-5900.

Sincerely,

David Warner
Director of Permit Services
