Mr. Gerardo Rios
U. S. EPA, Region IX
Mail Stop A-5-2
75 Hawthorne Street
San Francisco, California 94105

Dear Mr. Rios:

Proposed Minor Revision to Title V Permit for Quemetco, Inc., City of Industry (ID# 8547)

The South Coast Air Quality Management District (AQMD) has proposed to issue a revised, Title V Permit for Quemetco, Inc. located at 720 South 7th Avenue, City of Industry, CA 91746-3124. This revision is considered to be a minor revision. A public notice is not required.

Quemetco (ID 8547) has proposed to revise their Title V permit by modifying:

Section D (Permits to Construct and Operate) –Minor Revisions

Appl. No.	Description	Device(s)	Process	System
479286	Addition of a diesel particulate filter (DPF) (C171) to the exhaust of an emergency internal combustion engine (D83) and connection of the exhaust outlet of the DPF to the wet electrostatic precipitator (WESP) intake manifold (B138)	D83 C171	4	1
479287	Addition of a DPF (C172) to the exhaust of an emergency internal combustion engine (D92) and connection of the exhaust outlet of the DPF to the WESP intake manifold (B138)	D92 C172	4	1

In addition to the above proposed changes, Section J of the Facility Permit is updated to include NESHAP conditions for diesel internal combustion engines pursuant to 40CFR63 Subpart ZZZZ.

This Title V permit revision is covered under Application No. 479280. This alteration was performed without a Permit to Construct. Therefore, the revision is being made to the Section D Permit to Operate part of the Facility Permit. Attached for your 45-day review is a draft of the proposed revisions to Facility Permit Section D and the engineering evaluation.

This package is being submitted electronically to the e-mail address R9AirPermits_SC@epa.gov in order to facilitate your review. Questions regarding the Quemetco TV final permit may be directed to Marco A. Polo of my staff at (909) 396-2633.

Sincerely,

Andrew Y. Lee, P.E.
Senior Engineering Manager
