

**NOTICE OF PRELIMINARY DECISION
FOR THE PROPOSED RENEWAL OF A
TITLE V OPERATING PERMIT**

NOTICE IS HEREBY GIVEN that the Yolo-Solano Air Quality Management District solicits public comment on the proposed renewal of a Title V operating permit issued to CalPeak Power - Vaca Dixon, LLC, operating at 5157 Quinn Road (PG&E Vaca-Dixon Substation) in Vacaville, California.

The District's analysis of the legal and factual basis for this proposed action, the proposed permit, and the complete application are available for public inspection at the District office, located at the address below. This will be the public's only opportunity to comment on the specific conditions of the proposed renewed Title V permit. If requested by the public, the District shall hold a public hearing regarding issuance of this renewed permit. For additional information please contact René Toledo at (530) 757-3650. Written comments on this project must be submitted within 30 days of the publication date of this notice to Susan K. McLaughlin, Supervising Air Quality Engineer, Yolo-Solano Air Quality Management District, 1947 Galileo Court, Suite 103, Davis, California, 95618.
