Reference: A/N 557422: Proposed Title V Permit Renewal & Minor Revision for
Tesoro Logistics Operations LLC, Long Beach Marine Terminal (ID #172878)

Dear Mr. Rios:

Enclosed for your 45-day review is the proposed Title V permit renewal and minor revision for Tesoro Logistics Operations LLC's Long Beach Marine Terminal, located at 820 Carrack Avenue, Long Beach, CA 90813. Along with a copy of the proposed renewed Title V permit is the facility's permit renewal application, Statement of Basis, engineering and Compliance Assurance Monitoring (CAM) evaluations, and public notice. With your electronic receipt of this proposed Title V renewal/revision package, SCAQMD notes that the EPA 45-day review begins today, October 9, 2014.

AQMD intends to publish the public notice and make this proposed renewal permit available for public viewing in accordance with Rule 3006, for 30 days beginning on or about October 16, 2014.

In addition, a permit revision is being proposed to incorporate into the renewed Title V permit a Rule 463 compliance plan. This revision is considered a minor permit revision and no public notice is required. A copy of the compliance plan evaluation is enclosed and the proposed compliance plan is included in Section I of the proposed renewed Title V permit.

Questions on the proposed permit may be directed to Mr. Thomas Liebel, Senior Air Quality Engineer, at (909) 396-2554 or by email at tliebel@aqmd.gov.

Sincerely,

Andrew Y. Lee, P.E.
Senior Engineering Manager
