This is an existing facility applying for a Title V permit renewal that is engaged in commercial lithographic printing. The facility operates three heat-set lithographic printing systems, four quick-set lithographic printing systems, a natural gas fired emergency internal combustion engine, and other supporting equipment. Volatile organic compound emissions from the heat-set printing systems are controlled by air pollution control equipment regenerative thermal oxidizer.

Nelson Nameplate Company

2800 Casitas Avenue
Los Angeles, CA 90039-2942
Facility ID# 117882

Contact Person:

Thomas Cassutt
Co-President

This is an existing facility applying for a Title V permit renewal that is engaged in nameplate and membrane switch manufacturing. The facility operates spray booths, a roller coater, curing ovens, screen printing systems, laser cutters, a chemical milling machine, an etcher, a surface preparation line, a scrubber, and other supporting equipment.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. Each of the proposed permits incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at the AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Los Angeles Public Library, Science, Technology, and Patents Department, 630 West 5th Street, Los Angeles, CA 90071. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

South Coast Air Quality Management District

Attention: Hamed Mandilawi

Comments must be received by July 15, 2011. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request the AQMD to conduct a public hearing on any of the proposed permits by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permits are not correct or are not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the

drafting and/or issuance of the permits. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD website at <http://www.aqmd.gov/titlev>. Requests for public hearings are due by June 30, 2011. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
