SUBJECT: Proposed Title V Permit Renewal
Air Products and Chemicals, Inc. (Facility ID: 101656)

Dear Mr. Rios:

The South Coast Air Quality Management District (SCAQMD) has completed its review of the enclosed Title V permit renewal application for Air Products and Chemicals, Inc. (ID: 101656) located at 700 N. Henry Ford Ave., Wilmington, CA 90744. This facility is a hydrogen production plant supplying pure hydrogen to local refineries.

Enclosed is the proposed Title V permit renewal, along with the facility's permit application, Statement of Basis, and public notice for your 45-day review and commenting period.

SCAQMD intends to publish a 30-day public notice on or about November 21, 2014 and will make the proposed renewal permit available for public review in accordance with District Rule 3006.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or wish to provide comments regarding this proposed permit, please contact Mr. Thomas Lee at (909) 396-3138 (tlee1@aqmd.gov).

Sincerely,
