**Subject:** Proposed Minor Revision to Title V Facility Permit for Chevron Products Co., El Segundo Refinery (Facility ID #800030)

Dear Gerardo:

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for Chevron Products Company (Chevron) located at 324 West El Segundo Blvd, El Segundo, California. Chevron's initial Title V permit was issued on October 12, 2009. The revision proposed under A/N 511140 is a minor revision and a public notice is not required.

The South Coast Air Quality Management District (AQMD) has received applications for Permits to Construct/Permits to Operate from Chevron for the equipment described in the table below. The AQMD has evaluated the applications and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our rules and regulations. The revised portions of the permit and our evaluation reports are attached for your review.

Application No.	Equipment	Application for
511145	External Floating Roof Tank No. 189	Installation of a dome cover
511146	External Floating Roof Tank No. 458	Installation of a dome cover
