SUBJECT: Title V Facility Permit Revision (Facility ID: 091259)

Dear Mr. Skinner:

Please find attached the revised Title Page, Table of Contents, and Section D of your Title V Facility Permit. The revised sections reflect the approval of the permit revision requested in your Application No. 477130. The proposed permit revision was submitted to EPA for 45-day review on November 19, 2009. This permit revision includes the modification of an electrostatic precipitator and a casting machine, and issuing a Permit to Operate for a catalytic afterburner that was previously issued a Permit to Construct as follows:

Equipment	Application No.	Permit No.	Permit Type
Catalytic Afterburner	434948	G6678	P/O
Electrostatic Precipitator	477126	G6679	P/O
Casting Machine #1	477128	G6680	P/O

Please review the attached sections carefully. Insert the attached sections into your Facility Permit and discard the earlier versions. Questions concerning changes to your permit should be directed to Mrs. Stacey Ebner at (909) 396-2504.

Sincerely,

Fred Lettice
Senior Manager
Coating, Printing, Aerospace
& Metal Finishing Operations
