NOTICE OF RENEWAL OF TITLE V PERMIT

The South Coast Air Quality Management District (SCAQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. Rule 3006 requires that the SCAQMD publish this notice prior to the renewal of a Title V permit previously issued to the facilities listed below:

Tidelands Oil Production Company

949 Pier G Avenue
Long Beach, CA 90802
Facility ID #800325

Contact Person:

Nauman Charania
Environmental Specialist, HES

This is an existing facility applying for a Title V permit renewal that is engaged in oil and gas production. The facility operates crude oil/gas/water separation systems, crude oil and miscellaneous petroleum product storage tanks, waste water treatment systems, and a natural gas odorizing unit. Volatile Organic Compound (VOC) emissions from oil and gas production are controlled by vapor recovery and hydrocarbon gathering systems, and an activated carbon adsorber system.

Berry Petroleum Company

25121 N. Sierra Highway
Santa Clarita, CA 91321
Facility ID #119907

Contact Person:

John Ludwick
Sr. Reg. Compliance Specialist

This is an existing facility applying for a Title V permit renewal that is engaged in oil and gas production. The facility operates gas turbines, steam generators, oil/gas/water separation systems, bulk loading equipment and wastewater separation equipment.

Pursuant to Title V of the federal Clean Air Act and SCAQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, the above facilities have submitted a Title V renewal application and requested the SCAQMD to renew their Title V permit. Each proposed permit incorporates updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility.

The proposed permit is available for public review at the South Coast Air Quality Management District, 21865 Copley Drive, Diamond Bar, CA 91765, and at Los Angeles Central Library, 630 West 5th Street, Los Angeles, CA 90071. The proposed permit can also be viewed at <http://www3.aqmd.gov/webappl/publicnotices2/> by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the SCAQMD pursuant to California Health & Safety Code, Section 42336, or otherwise known to the SCAQMD based on credible information, is also available from SCAQMD for public review. For more information or to review additional supporting documents, call Merrill Hickman at (909) 396-2676. **Anyone wishing to comment on the issuance of the proposed renewal permit should submit their comments in writing by October 23, 2014. Written comments should be submitted to:**

South Coast Air Quality Management District
Engineering and Compliance
21865 Copley Drive
Diamond Bar, CA 91765-4178

Attention: William Thompson, Senior Manager
Operations,
Engineering & Compliance

The public may request SCAQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to William Thompson at the above SCAQMD address. The public hearing request must contain all the information requested on the form in order for the SCAQMD to determine whether or not the request is valid or a public hearing will be held. The Public hearing request forms may be obtained from the SCAQMD by downloading from the internet at <http://www.aqmd.gov/home/permits/title-v/public-notices-and-hearings>

Any request for a public hearing must be submitted to the SCAQMD no later than October 8, 2014. A copy of the public hearing request must also be sent by first class mail to the facility contact person listed above at the same time.

For your general information, anyone experiencing air quality problems such as dust, smoke or odors can telephone in a complaint to the SCAQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
