SUBJECT: RECLAIM/Title V Facility Permit (Facility ID: 800066)

Dear Mr. Ricks:

Please find attached the revised Title Page, Table of Contents, Section D and Section H of your RECLAIM/Title V Facility Permit. The revised sections reflect the approval of the permit revision requested in your Application No. 512828. The proposed permit revision was submitted to EPA for 45-day review on January 21, 2011. This permit revision includes the addition of the following equipment.

Equipment	Appl. No.	Device No.	Permit No.	Process/Sys.	Permit Type
Spray Booth	512825	D212	G12336	4, 0	P/C-P/O

This revision also reflects the approval of the administrative permit revision for issuing a Permit to Operate for an autoclave that was previously issued a Permit to Construct.

Equipment	Appl. No.	Device No.	Permit No.	Process/Sys.	Permit Type
Autoclave	475589	D203	G12115	9, 0	P/O

In addition, the devices listed on Attachment 1 have been removed from Section D since the permits have been inactivated, and as confirmed in your e-mail, the equipment has been removed from the facility.

Please review the attached sections carefully. Insert the enclosed sections into your RECLAIM/Title V Facility Permit and discard the earlier versions. Questions concerning changes to your permit should be directed to Mr. Gopinath Shah (909) 396-2513.

Sincerely,
