Dear Mr. Rios:

Superior Industries (ID 002083) has proposed to revise their Title V permit by modifying and/or changing the permit conditions for four spray booths. This is an aluminum wheel manufacturing facility (SIC 3714) located at 7800 Woodley Ave, Van Nuys, CA 91406. This proposed permit revision as requested under application number 491099 is considered as a “minor permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. Also, enclosed are Section K and Appendix B reflecting updates to some of the rules applicable to the facility. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on December 5, 2008.

If you have any questions or need additional information regarding the proposed permit revision, please call Hamed Mandilawi at (909) 396-3275.

Very truly yours,
