Mr. Gerardo Rios
Chief - Permits Office
U. S. EPA, Region IX
75 Hawthorne Street, Air 3
San Francisco, California 94105

Dear Mr. Rios:

Graphic Packaging International, Inc. (ID No. 157259) has proposed to revise their Title V permit by adding two lithographic printing systems and for change of operator from Bluegrass Folding Carton Co. (ID 148535). This is a packaging box fabricator (SIC 2657) located at 1600 Barranca Parkway, Irvine, CA 92606. This proposed combined permit revision under A/N 490196 is considered an "administrative permit revision" for the change of operator, and "deminimis significant permit revision" to their Title V permit for the addition of two printing presses. Attached for your review are the permit evaluations and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on April 17th.

Pursuant to AQMD Rule 212 - Standards for Approving Permits and Issuing Public Notice, new or modified sources exceeding any of the specified daily maximums are subject to the public notification and comment provisions of 40 CFR Part 51, Section 51.161(b), and 40 CFR Part 124, Section 124.10.

Please find enclosed a public notice for Graphic Packaging International, Inc. issued in accordance with Rule 212(g). The public notice provides for a 30-day comment period prior to making a final decision on the issuance of the permit, and is also being published in a newspaper of general circulation in the vicinity of this facility. This notice is being distributed to each address within a ¼-mile radius of the property line of the facility. This notice is also being sent to the California Air Resources Board, the Southern California Association of Governments (SCAG), the County of Orange, the City of Irvine, and the State and Federal Land Managers.

If you have any questions or wish to provide comments regarding this project, please call Mrs. Stacey Ebner at (909) 396-2504.

Very truly yours,

Fred Lettice
