## NOTICE OF PROPOSED RENEWAL TITLE V PERMIT

The South Coast Air Quality Management District (SCAQMD) is proposing to renew the existing Title V permit previously issued to the facility listed below:

### Facility Location and Contact Person

**Glendale City, Glendale Water and Power**  
800 Air Way  
Glendale, CA 91201  
Facility ID 800327

#### *Contact Person:*

Stephen M. Zurn  
General Manager  
141 N. Glendale Avenue  
Glendale, CA 91206

The facility operates four gas turbine generators, three boiler generators, one diesel emergency generator, two gasoline storage tanks with gasoline dispensers, two ammonia storage tanks, and one spray coating device. The facility is a power plant.

Pursuant to Title V of the federal Clean Air Act and the SCAQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, this facility has submitted a Title V renewal application and requested the SCAQMD to renew their Title V permits. The proposed permit incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to this facility.

The proposed permit is available for public review at the SCAQMD, 21865 Copley Dr., Diamond

Bar, CA, and at the Glendale Central Library, 222 East Harvard Street, Glendale, CA 91205. It is also available on the internet at <http://www3.aqmd.gov/webappl/publicnotices2/seareh.aspx>. Information regarding the facility owner's compliance history submitted to the SCAQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the SCAQMD based on credible information, is also available from the SCAQMD for public review at <http://www3.aqmd.gov/webappl/fim/prog/search.aspx>. For more information or to review additional supporting documents, call the SCAQMD's Title V hotline at (909) 396-3013. Written comments should be submitted to Mr. Li Chen, Air Quality Engineer, 21865 Copley Drive, Diamond Bar, CA 91765-4178. Comments must be received by October 12, 2014. The SCAQMD will consider all public comments and may revise the Title V permit in accordance with SCAQMD rules and regulations.

The public may request the SCAQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Li Chen. The SCAQMD will hold a public hearing if there is evidence that the proposed permit is not correct or is not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the drafting and/or issuance of the permit. Public hearing request forms and the schedule of public hearings may be obtained from the SCAQMD by calling the Title V hotline at (909) 396-3013, or from the Internet at <http://www.aqmd.gov/docs/default-source/grants/500-g-form.pdf?sfvrsn=2>. Requests for public hearings are due by September 27, 2014. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
