Reference: Transmittal of Proposed Initial Title V Permit

Dear Mr. Rios:

Enclosed is the proposed initial Title V permit for Kinder Morgan Liquid Terminals (KMLT) located at 2000 E. Sepulveda Blvd., Carson, CA 90810. A draft copy of this permit was originally sent for EPA Region IX review and public notice in July of 2004. Since that time, the facility has undergone a number of modifications and changes, and, as a result, we are re-submitting another draft Title V permit for your 45-day review as well as a 30-day public notice. In addition to the draft permit, we are enclosing a copy of the facility's permit application, permit summary, and the public notice.

This request is being made via electronic submittal in order to facilitate your review. Questions on the proposed permit should be directed to Thomas Liebel of my staff at (909) 396-2554.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jay Chen'.
